about the Test & Burn-In Socket Market Analysis

- Annual analysis of the market for Test and Burn-in Sockets used for testing semiconductors
- In depth analysis and summaries on:
  - Industry structure
  - Market drivers
  - Technology drivers
  - Pricing
- Numerical datasets showing market sizes, market drivers, and vendor shares
- Provided in presentation and excel formats on VLSIresearch’s website
Test and Burn-in Report Contents

• Executive Summary
• Market Overview
  • Test & Burn-in Socket Demand ($M & Units)
  • Test Socket Demand by Package Type ($M)
  • Burn-In Socket Demand by Package Type ($M)
  • WLCSP Test and Burn-in ($M)
• Industry Structure
• Market Drivers
  • Semiconductor Demand by Device Type, ($M & Units)
  • Package Demand by Package Type (Units)
• Technology Drivers
• Pricing
  • Test and Burn-in Socket Prices ($)
• Competitive Trends
  • Test Socket Vendor Shares, Burn-In Socket Vendor Shares ($M)
  • Combined Test & Burn-In Socket Vendor Shares
• Definitions
THE 2016 TEST AND BURN-IN SOCKET MARKET UPDATE - Order Form

PURCHASE PRICE

$ 4,900

Less: $450 discount if one or more of the following boxes are checked (to be approved by VLSIR):

- Subscribers to last year’s Report
- Respondents who returned a fully complete survey form

TOTAL AMOUNT (US$)

$ __________

Please send the following in order to start your subscription:

- Full payment in US Dollars
- Client Account Manager (who all information will be delivered to):
  - Name ________________________________
  - Job Title ______________________________
  - Company Name ________________________
  - Dept/Division, Mailstop __________________
  - Street Address __________________________
  - City, State, Country ZIP ___________________
  - Ph # (include country & area codes) __________
  - Cell # (include country & area codes) __________
  - Fax # (include country & area codes) __________
  - Email Address ____________________________

- If payment will be made from an individual other than the Account Manager, please forward the same information above for her/him as well.

TERMS AND CONDITIONS

By accepting this service or report, opening, it, purchasing it, or using it you are agreeing to the VLSI Research Terms and Conditions contained on the VLSI Research Website. A summary of the provisions and limitations of that agreement is provided on the next page.

If order form is not completed by client, copy of pages 3 & 4 sent to client by VLSIR: __________  __________

Data delivery will occur upon receipt of full payment in US$ by VLSIresearch

- Check payable to VLSI Research Inc in US Dollars ($). Mail to:
  - VLSI Research Inc
  - 2290 North First Street, Suite 202
  - San Jose, CA 95131-20217

- International Wire Transfer
  - Upon receipt of this form VLSIresearch will provide bank information. All bank fees are payable by the remitter.

- Credit Card
  - Upon receipt of this form VLSIresearch will email a link to a Payment Form.
  - Once the Payment Form is completed you will be directed to PayPal for payment with a (1) PayPal account, (2) credit card, or (3) debit card.

- EU Company, VAT number: __________________________

PRICES SUBJECT TO CHANGE

Terms and Conditions

By accepting this service or report, opening it, purchasing it, or using it you are agreeing to the VLSI Research Terms and Conditions contained on the VLSI Research Website, which include without limitation the following provisions and limitations. In the event of any inconsistency between these Terms and Conditions and the terms contained in the VLSI Research Terms and Conditions, the terms contained in the VLSI Research Terms and Conditions shall govern and control. However, if these terms are not acceptable to you, please immediately notify VLSI Research Inc in writing and return or destroy all reports, and we will cancel the service.

This service or report is confidential and for the use of VLSI Research and its Clients only. This service or report contains valuable proprietary information developed or acquired by VLSI Research at great expense. Dissemination of these materials is not intended to constitute a disclosure to the public of the information contained in the materials. You have a limited license to use these materials for your own internal use, but do not become the owner of any material. The materials provided are protected by copyright, trade secret, and trademark law. The provisions and limitations listed below are a summary of those contained in the VLSI Research Terms and Conditions:

- This service or report may not be reproduced or distributed in its entirety, internally or externally, without permission from VLSI Research. Information may be extracted on a limited basis for use internally within your company provided that VLSI Research is clearly referred to as the source of the information. See the VLSI Research Terms and Conditions for further details on usage provisions and restrictions.
- VLSI Research provides no warranties with this service or report, express or implied.
- VLSI Research cannot and does not guarantee the accuracy or timeliness of any information or data provided.
- In no event will VLSI Research be liable to you or any third party, for any damages of any kind.
- By submitting letters and e-mails on current topics covered in our services and/or reports, unless you tell us specifically not to publish it, or except to the extent that you give us an embargo before which you instruct us not to publish it, you are authorizing us to publish it.
- We are not stock analysts. No information provided is investment advice, and any such information is just an opinion and is not tailored to the investment needs of any specific person.
- Forward-looking statements are not guarantees of results or outcomes and VLSI Research does not have any intention or obligation to update forward-looking statements after the date of this service or report.
- No part of this service or report may be used in any legal proceedings nor may any information contained herein be disclosed to any third party, or reproduced, or transmitted to any third party, in any form or by any means -- mechanical, electronic, photocopying, duplicating, microfilming, videotape, verbally or otherwise -- without the prior written permission of VLSI Research. Third parties include outside directors and/or affiliated firms of Your company.

You only obtain access to or use of the services, reports or materials that you order and pay for. Additional services, reports, data, analysis, or further explanation from VLSI Research requires additional fees.

This agreement shall be governed by the laws of the State of California.
about VLSI research

VLSI research is an award-winning provider of market research and economic analysis on the technical, business, and economic aspects of the semiconductor supply chain. Providing intelligence for faster and better decision making, seasoned executives in high technology, government, and finance rely on VLSI research’s insights to guide them to the right decisions. The formula is simple: Better intelligence leads to better decisions which deliver better results. Founded in 1976, VLSI research is the leading technology research and advisory company focused on semiconductor related manufacturing. The company’s website is www.vlsiresearch.com.
